**Why 19 is special to American Voters!**

Passed by Congress June 4, 1919, and ratified on August 18, 1920, the 19th amendment granted American women the right to vote.

On February 14, 2021, the League of Women Voters will be 101 years old!

**Help the League protect the voting rights of all. Join today!**

**Your Vote is Important!**

After a recount, the 2017 vote was tied in Virginia. The outcome of this race determines control of the House of Delegates. If Democrats win, there will be a 50-50 split in the House, meaning a power-sharing agreement will be necessary. The winner was selected by a drawing, The Republican won.
