Your Vote is Important!

In 2024, a statewide recount was required when only **51** votes separated two candidates for second place for State Lands Commissioner. That's out of **1.9 million** votes cast!

VOTING INFORMATION

Eligibility - You are eligible to vote if you are a citizen of the United States, at least 18 years old by the General Election Day, and a legal resident of Washington State. 17-year-olds can vote in the presidential primary and regular primary if they'll be 18 by the General Election

If you were convicted of a felony, your right to vote is automatically restored as long as you are not currently serving a sentence of total confinement in prison. Once your right is restored, you must re-register to vote in order to receive a ballot.

How to Register - If you have a WA State Driver License or ID card, you may register online at VoteWA.gov. Or, you may register with Department of Motor Vehicles when applying for or renewing your WA Driver License. Otherwise, registration forms are available at the Auditor's Office 700 S 2nd St, Mt Vernon, WA 98273

2025 Election Dates — To Be Determined

- ✓ State ballot issues are submitted to voters at the General Election

Vote by Mail – Washington State is a vote-by-mail state. After registering, your voter registration card with your precinct number will be mailed to you. Ballots are mailed 20 days before Election Day. You may return your ballot postage-free by mail or deposit it in an official ballot drop box. Drop box locations are listed on the insert enclosed with your ballot, in the Local Voters' Pamphlet, and online at VoteWA.gov

Please note: if you return your ballot by mail, be sure to either mail it a week before the election date, or take it to a Post Office and have it hand cancelled.
